Sharing spiritual renewal  
with evangelistic focus.

Evangelist Anita Pearce

March 2025

Dear Friends,

Already the lengthening days assure us of the coming spring. Even as nature proclaims the coming of new life and brighter days, the Word of God renews our hearts with the assurance of eternal hope in Christ.

Since the beginning of this year, I have been invited to share in several churches in Saskatchewan and Alberta. There has been a very encouraging response in every service.

In Balgonie, for example, a couple of dozen young folks attended the youth night. All of them were attentive as the Word of God was planted deep within their hearts. Folks were also challenged during the Saturday Fellowship Brunch as well as the Sunday morning service.

During the evening service in Saskatoon, there was a powerful release of the joy of the Lord. There were some very lively moments as folks sensed the presence of the Lord in a unique way. One man told how he felt like chains fell off his life during the ministry of God's Word.

Besides the weekend of special services in French Man's Butte, we also conducted a "Saturday Soul-Winning Seminar". Over a dozen local people took the whole day to participate! One lady received a breakthrough in the baptism of the Holy Spirit.

P. S. After forty years of wandering in the desert, Israel was about to enter the promised land but the flooded Jordan river appeared to be an impossible obstacle. However, the Bible says, "...as soon as the priests who carried the ark reached the Jordan and their feet touched the water's edge, the water from upstream stopped flowing. It piled up in a heap a great distance away...So the people crossed over..." (Joshua 3:15,16).

Stepping forward in faith and obedience to God's Word may seem risky and frightening. What if nothing happens? What if we drown in the overwhelming flood of impossible circumstances?

This Biblical example reminds us that the Lord often waits for our steps of faith before revealing His supernatural interventions and ultimate intentions. Someone has wryly commented that the Lord is never late—but sometimes it seems He has missed opportunities to be early! Let us persevere, standing with faith and courage, trusting in the faithfulness of God. He will make a way where there seems to be no way to fulfill His purposes in our lives.
