Sharing spiritual renewal  
with evangelistic focus.

Evangelist Anita Pearce

August 2022

Dear Friends,

Someone has declared that in Saskatchewan we have two seasons: Winter and July! The summer heat often brings unstable weather and severe storms.

A couple of weeks ago there was more than a little excitement when a tornado passed a few kilometers from the town. I was even able to take a picture of it from my home. Thankfully, it dissipated before it came any closer!

Lunch with friends at Humboldt

In spite of many people away on holidays or involved in summer activities, the schedule of services has been very busy. I have been privileged to minister in several places nearby. How wonderful to be able to share encouragement with faithful believers! In Stoughton, for example, the response was uplifting. A group of new believers particularly came with refreshing hunger after the Lord!

Ministry in Oak Bank, MB

It was also wonderful to share again with friends in the assemblies in Whitewood and Humboldt as well as several Senior's homes. An unexpected change of plans gave me the opportunity to speak in Oak Bank, MB. What a blessing to share an "Outreach Seminar" and to fellowship with these precious folks.

PS. The Bible declares there will be seasons that test our faith. We read in 1 Peter 1:7, “That the genuineness of your faith, being much more precious than gold that perishes, though it is tested by fire, may be found to praise, honor, and glory at the revelation of Jesus Christ.”

Although trials may cause pain, frustration, even disappointment, God’s purposes are to bring us through the crisis into a place of deeper faith in Him. Sometimes painful surgery is necessary to bring healing. The present pain may be severe, but the end result is restoration and new life.

Sometimes we may have the assumption that the present problem is just a nuisance. However, the greatest work of victory is often accomplished in the journey, in the process, in the trials and tribulations—on our way to the destination!

Don’t despair. On the other side of this troubled time we will look back and recognize the love and faithfulness of God who directed even in the middle of the crisis. Your genuine faith will survive the fire and reveal the glory of God.
